

Covenant Management Receives Revised Guiding Principles

The Management of God's own University, Covenant, on Wednesday, February 12, 2020, was presented with copies of the newly revised documents of the Board of Regents – the apex decision making body of the University – for implementation towards the attainment of the University's vision to become one of the top 10 universities in the world by 2022, otherwise known as Vision 10:2022.

The Secretary, Board of Regents, Pastor Chioma Okwuanyi, presented the books to the Vice-Chancellor, Professor AAA. Atayero. They included the University Law, Staff Handbook and Conditions of Service, and the Student Handbook.

Established in 2002, Covenant is driven by the compelling vision of raising a New Generation of Leaders for the African Continent on the platform of a Holistic, Human Development and integrated learning curriculum, in order to raise Total Men who will go out to develop their world.

The institution's short term vision of becoming one of the top 10 universities in the world by 2022 was launched 8 years ago, precisely during the 10th year anniversary of Covenant, by her Chancellor and Chairman Board of Regents, Dr. David O. Oyedepo. The aim at inception was to build a world-class university that would be a pride of Africa as well as take its place among the Ivy League Universities on the global platform.

Driven on the platform of Christian ethos and life transforming values, Covenant has through the provision of hitherto non-existent cutting edge education, revolutionise tertiary education in Nigeria, and indeed Africa. The University has, courtesy of the awe-inspiring performances of her students and the unflinching dedication of faculty and staff members, attracted seemingly immeasurable honours and accolades on multiple fronts.

The University Law, Staff Handbook and Conditions of Service, and the Student Handbook have been excellent guiding principles in the University's quest for excellence.

Covenant, in pursuit of Vision 2022, currently ranks 401-500 in the Times Higher Education World University Rankings.
